Plus see them put their athletic skills to the test in our new race against time called "Rock Around the Clock," play audience interaction games like "You Ain't Nothin' But a Lapdog," and get a magical sneak peek "behind the curtain" to reveal the SuperDogs who are really running this show.

Then keep the party going after the show by joining us on stage for our famous "Pat N' Chat," where you can meet the stars AND get some amazing gifts and coupons from President's Choice Nutrition First dog food—the official fuel of the SuperDogs!

"Rock & Roll Over" is a cross between a Broadway hit and a major sporting event. It's the latest in a series of larger-than-life SuperDogs productions that include "Hollywood," "Disco Dogs," "Wild Wild Woof," and more! Building on the success of these shows, the SuperDogs put the spotlight on fun with this captivating new production that will have audiences of all ages laughing and cheering.

For the past four decades, the SuperDogs have entertained over 35 million people with some of the most original family-oriented live shows around. They've been the subject of television shows (ESPN's SuperDogs! SuperJocks!), the inspiration for feature films (*Daniel and the Superdogs*),

and they just keep getting better! Fast paced, interactive, heart warming and hilarious, experience the fun of these amazing dogs in their incredible new production, ROCK & ROLL OVER!
